

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF INTEGRUM ENERGY INFRASTRUCTURE LIMITED (Formerly known as "Integrum Energy Infrastructure Private Limited".)

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone Financial Statements of **INTEGRUM ENERGY INFRASTRUCTURE LIMITED** ("the Company"), which comprise the Standalone Balance Sheet as at March 31, 2024, the Standalone Statement of Profit and Loss and the Standalone Statement of Cash Flows for the year then ended and notes to the Standalone Financial Statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the State of Affairs of the Company as at March 31, 2024, its Profit and Cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Emphasis of Matter

We draw attention to the below matter as disclosed in Note 54(b) to the Standalone Financial Statements regarding obtaining Gratuity Insurance in compliance with Karnataka Compulsory Gratuity Insurance Rules, 2024:

"The Company should obtain a Gratuity Insurance policy, as per the Rules made under Karnataka Compulsory Gratuity Insurance Rules, 2024 notified on 10.01.2024. The Company is

in the process of evaluating the options with the Insurance Companies and the same will be obtained in the due course of time".

Our opinion is not modified in respect of this matter.

Information Other than Standalone Financial Statements and Auditor's Report thereon

The Company's Board of Directors and management are responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's and Board of Directors Responsibilities for the Standalone Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and board of directors are responsible for assessing the Company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting

unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2.
 - A. As required by Section 143(3) of the Act, based on our audit we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books, except that the backup of books of accounts and other relevant books and papers in electronic mode is not been taken on a daily basis and for the matters stated in the paragraph 2B(f) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
 - c. The Standalone Balance Sheet, the Standalone Statement of Profit and Loss and the Standalone Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - d. In our opinion, the aforesaid standalone financial statements comply with the Accounting Standard specified under Section 133 of the Act, read with the Companies (Accounting Standards) Rules, 2021.

- e. On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and operating effectiveness of such controls, refer to our separate report in "Annexure B" to this report. Our report expresses unmodified opinion on the adequacy and operating effectiveness of internal financial controls over financial reporting.
- B. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- a) The Company does not have any pending litigation which may impact its financial position in its statements to the standalone financial statements.
- b) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- c) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- d) (i) The management has represented that, to the best of its knowledge and belief, as disclosed in Note No. 47, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall
- directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or
 - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- ii) The management has represented, that, to the best of its knowledge and belief, as disclosed in Note No. 47, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall:

- directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or
- provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and

iii) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (d) (i) and (d) (ii) contain any material mis-statement.

e) The Company has neither declared nor paid any dividend during the year.

f) Based on our examination which included test checks, the Company has not updated its accounting software which has a feature of recording audit trail (edit log) facility as described in Note No. 64 to the Standalone Financial Statements.

C. With respect to the matter to be included in the Auditors' Report under Section 197(16): In our opinion and according to the information and explanations given to us, referring to Note No. 62 of Standalone Financial Statements, the Company is incorporated and was a Private Limited Company for the FY 2023-24 and thus the provisions of Section 197(16) of the Act are not applicable to the Company.

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in Paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we report that:

- i) In respect of Property, Plant and Equipment and Intangible Assets:
 - a)
 - A. The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment;
 - B. The Company has maintained proper records showing full particulars of Intangible assets;
 - b) The Company has a regular programme of physical verification of its Property, Plant and Equipment under which the Property, Plant and Equipment are physically verified. In our opinion, the physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
 - c) According to the information and explanations given to us, and the records examined by us, the title deeds of all immovable properties (other than immovable properties where the Company is the lessee and the leases agreements are duly executed in favour of the lessee) disclosed in the standalone financial statements are held in the name of the Company as at the balance sheet date.
 - d) According to the information and explanations given to us, and the records examined by us, the Company has not revalued its Property, Plant and Equipment or intangible assets or both during the year.
 - e) According to the information and explanations given to us, and the records examined by us, there are no proceedings initiated against the Company or are pending against the Company for holding any benami property under Benami Transactions (Prohibited Acts, 1988) and Rules made there under.
- ii)
 - a) The Inventory (materials) has been physically verified by the management at the end of the year. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No

discrepancies were noticed on verification between the physical stocks and the book records that were 10% or more in aggregate for each class of inventory.

- b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks on the basis of security of current assets. The quarterly returns or statements filed by the Company with such banks are in agreement with books of account, as referred in Note No. 39 of Standalone Financial Statements.
- iii) (a) On the basis of our examination of the records of the Company, the Company has not made any investments, provided guarantee or security or granted any advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties during the year. The Company has granted advance (unsecured) to its employees during the year, details of the same is stated in sub-clauses below. The Company has not granted any loans, secured or unsecured, to firms, limited liability partnerships or any other parties (except advances to employees) during the year.
- A. Based on the audit procedures carried on by us and as per the information and explanations given to us, the Company has not provided loans or provided advances in nature of loans, or stood guarantee or provided security to subsidiaries, joint ventures, associates and other parties (except advance to employees) other than subsidiaries, joint ventures and associates.

Refer below table with regard to advance granted to employees and Loan given to subsidiary outstanding at the end of the year:

(Rs. in Lakhs)

	Guarantees	Security	Loans	Advances in nature of loans
Aggregate amount granted / provided during the year:				
- Subsidiaries	NIL	NIL	NIL	NIL
- Joint Ventures	NIL	NIL	NIL	NIL
- Associates	NIL	NIL	NIL	NIL
- Other (Loan to employees)	NIL	NIL	15.11	NIL
- Other Companies	NIL	NIL	NIL	NIL

Balance outstanding as at Balance Sheet date in respect of above cases:				
- Subsidiaries	NIL	NIL	4.00	NIL
- Joint Ventures	NIL	NIL	NIL	NIL
- Associates	NIL	NIL	NIL	NIL
- Other (Loan to employees)	NIL	NIL	1.98	NIL
- Other Companies	NIL	NIL	NIL	NIL

- b) According to the information and explanations given to us and based on the audit procedures conducted by us, in our opinion, terms and conditions of the grant of loans during the year are prima facie not prejudicial to the interest of the Company.
- c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in case of loans granted to employees during the year, in our opinion the recovery of advance has been stipulated and the recovery or receipts have been regular.
- d) According to the information and explanations given to us and on the basis of our examination of the records, there are no amounts of loans and advances in the nature of loans granted to companies, which are overdue for more than ninety days.
- e) According to the information and explanations given to us and on the basis of our examination of the records, the Company has not renewed or extended or fresh loans given to settle the over dues of existing loans given to the same party is not applicable to the Company. Accordingly, clause 3(iii)(e) of the Order is not applicable.
- f) According to the information and explanations given to us and on the basis of our examination of the records, the Company has not given any loans either repayable on demand or without specifying any terms or period of repayment. Accordingly, clause 3(iii)(f) of the Order is not applicable.
- iv) In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of the loans and investments made, and guarantees and security provided by it, as applicable.

- v) In our opinion, and according to the information and explanations given to us, the Company has not accepted any deposits or there are no amounts which have been deemed to be deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, reporting under clause 3(v) of the Order is not applicable to the Company.
- vi) We have broadly reviewed the books of account maintained by the Company, pursuant to the Rules made by the Central Government for the maintenance of cost records under Section 148 of the Act in respect of power generation and transmission by it and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. However, we have not made detailed examination of the cost records with a view to determine whether they are accurate or complete.
- vii) a) The Company does not have liability in respect of Sales Tax, Service Tax, Duty of Excise and Value Added Tax during the year effective 1 July 2017, these statutory dues has been subsumed into GST.

According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including Goods and Services Tax ('GST'), Provident Fund, Employees' State Insurance, Income-Tax, Duty of Customs, Cess and other material statutory dues have generally been regularly deposited with the appropriate authorities.

According to the information and explanations given to us, no undisputed amounts payable in respect of GST, Provident Fund, Employees' State Insurance, Income-Tax, Duty of Customs, Cess and other material statutory dues were in arrears as at 31st March 2024 for a period of more than six months from the date they became payable, except for the below Statutory dues:

Name of Statute	Nature of Dues	Period to which the amount relates	Amount Due (In Rs.)	Due date	Date of Payment
Karnataka GST	RCM Liability	December 2022 and March 2023	5,400/-	20/01/2023 and 20/4/2023	Not paid
Karnataka GST	RCM Liability	March 2023	38,480/-	20/4/2023	Not paid

- b) In our opinion and according to the information and explanations given to us, there are no statutory due as referred to in sub clause (a), which have not been deposited on account of any dispute. Accordingly, clause 3(vii)(b) of the Order is not applicable.
- viii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.
- ix)
- a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender from whom the loan is borrowed during the year.
- b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a wilful defaulter by any bank or financial institution or government or government authority.
- c) According to the information and explanations given to us by the management and on the basis of our examination of the records of the Company, the Company has not taken any term loan during the year and there are no outstanding term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable.
- d) According to the information and explanations given to us and on an overall examination of the balance sheet of the Company, we report that the funds raised on short-term basis by the Company has not been used for long term basis.
- e) According to the information and explanations given to us and on an overall examination of the standalone financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures as defined under the Companies Act, 2013. Accordingly, clause 3(ix)(e) of the Order is not applicable.
- f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries, associates or joint ventures as defined under the Companies Act, 2013. Accordingly, clause 3(ix)(f) of the Order is not applicable.
- x)
- a) In our opinion and according to the information and explanations given to us, the Company has not raised any money by way of initial public offer or further public

offer (including debt instruments) during the year and hence reporting under clause 3 (x)(a) of the Order is not applicable.

- b) In our opinion and according to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Hence, reporting under clause 3 (x)(b) of the Order is not applicable.
- xi)
- a) Based on examination of the books and records of the Company and according to the information and explanations given to us, considering the principles of materiality outlined in Standards on Auditing, we report that no fraud by the Company or on the Company has been noticed or reported during the course of the audit.
- b) In our opinion and according to information and explanation given to us, no report under 143(12) of the Act in form ADT-4, as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014, has been filed with the Central Government.
- c) In our opinion and according to information and explanation given to us, the Company is not required to form Whistle blower committee and accordingly clause 3(xi)(c) is not applicable to the Company.
- xii) As the Company is not a Nidhi Company, accordingly, clause 3(xii) of the Order is not applicable.
- xiii) In our opinion and according to the information and explanations given to us and based on our examination of records of the company, the Company has not entered into transactions of the nature specified under the provisions of Section 188 of the Act with related parties. Therefore, compliance under Section 177 of the Act does not arise to this extent. However, there are transactions with related parties other than those specified under Section 188 of the Act and reporting requirements have been complied with as per AS 18 "Related Party Disclosures".
- xiv) Based on information and explanations provided to us and our audit procedures, the appointment of internal auditor is not applicable to the Company, Accordingly, Clause 3(xiv) of the Order is not applicable.
- xv) In our opinion and according to the information and explanation given to us, the Company has not entered into any non-cash transaction with directors or persons connected with him as specified in Section 192 of the Companies Act 2013.

- xvi)
- a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(a) of the Order is not applicable.
 - b) The Company has not conducted any Non-Banking Financial or Housing Finance activities. Hence a Certificate of Registration (CoR) is not required as per Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(b) of the Order is not applicable.
 - c) The Company is not a Core Investment Company (CIC), as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.
 - d) According to the information and explanations provided to us during the course of audit, the Group does not have any CIC. Accordingly, the requirements of clause 3(xvi)(d) are not applicable.
- xvii) Based on information and explanations provided to us and our audit procedures, the Company has not incurred cash losses in the financial year and in the immediately preceding financial year.
- xviii) There has been resignation of the statutory auditors during the year and we have taken into consideration the issues, objections or concerns raised by the outgoing auditors.
- xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx) In our opinion and according to the information and explanations given to us, there is no unspent amount under sub-section (5) of section 135 of the Companies Act, 2013 pursuant to any project. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.

xxi) The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of standalone financial statements. Accordingly, no comment in respect of the said clause has been included in this report.

ANNEXURE B

TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF INTERGUM ENERGY INFRASTRUCTURE LIMITED FOR THE YEAR ENDED 31st MARCH 2024

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls over financial reporting of **INTERGUM ENERGY INFRASTRUCTURE LIMITED** ("the Company") as of 31st March 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

MANAGEMENT'S AND BOARD OF DIRECTORS RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management and Board of Directors are responsible for establishing and maintaining internal financial controls based on "the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI')". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these standalone

financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting with reference to standalone financial statements included obtaining an understanding of internal financial controls over financial reporting with reference to these standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting with reference to these standalone financial statements.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A Company's internal financial control over financial reporting with reference to these standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING WITH REFERENCE TO STANDALONE FINANCIAL STATEMENTS

Because of the inherent limitations of internal financial controls over financial reporting with reference to these standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these standalone financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Integrum Energy Infrastructure Limited

(Formerly Known as Integrum Energy Infrastructure Private Limited)

Notes forming part of Standalone Financial Statements for the year ended 31st March, 2024

CIN : U40106KA2021PLC144691

(All amounts in Indian rupees lakhs, unless otherwise stated)

1 General information

- 1.1 Integrum Energy Infrastructure Limited (the company) (Formerly known as Integrum Energy Infrastructure Private Limited) bearing Corporate Identification number (CIN) - U40106KA2021PLC144691 was incorporated on 26th February, 2021. The Company is incorporated to carry on the business of seller, importer, exporters, suppliers and dealers of all kinds of power generation equipment's including Wind Mills and Turbines, Solar Modules and Panels, to promote, own, acquire, erect, construct, establish, maintain, improve, manage, operate, alter, carry on control, take on hire/lease power plants, co-generation power plants, energy conservation projects, power houses, transmission and distribution systems and supply of electrical power and energy, provide general management consultancy, project management consultancy, technical consultancy and liaison services for power generation, transmission and distribution businesses/projects, provide Engineering, Procurement & Construction (EPC) & Commissioning services for balance of plant associated with power projects and also to provide O&M (Operation and Maintenance Services) for power plants, transmission lines and sub-stations.

2 Summary of significant accounting policies**2.1 Basis of preparation of financial statements**

The financial statements of the Company have been prepared on accrual basis, under the historical cost convention, on the principles applicable to a going concern and in accordance with the generally accepted accounting principles in India (Indian GAAP). These financial statements have been prepared to comply in all material aspects with the accounting standards notified under the Companies (Accounting Standards) Rules, 2021, specified under section 133 and other relevant provisions of the Companies Act, 2013.

2.2 Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the management to make estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities at the end of reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future period(s). Any revision to accounting estimates is recognised prospectively in the current and future period(s). Significant estimates used by management in the preparation of these financial statements include revenue recognition based on percentage of completion method and related costs.

2.3 Revenue recognition

Revenue in respect to contracts for construction of Solar/Wind project is recognised as per AS 7 "Construction contracts"

Revenue in case of only transfer of goods is recognised when the significant risks and rewards of ownership are transferred to customers as per AS 9 "Revenue recognition".

Revenue in respect to other than construction contracts is recognised based on proportionate completion method if the services rendered to customers consists of more than one act as per AS 9 "Revenue recognition".

Revenue for the services rendered other than construction contracts to customers is recognised based upon completed service method when the service consists of only one act as per AS 9 "Revenue recognition".

Revenue arising from the use by others of enterprise resources yielding interest, royalties and dividends will be recognised when no significant uncertainty as to measurability or collectability exists. These revenues are recognised on the following bases:

- (i) Interest : on a time proportion basis taking into account the amount outstanding and the rate applicable.
- (ii) Royalties : on an accrual basis in accordance with the terms of the relevant agreement.
- (iii) Dividends from investments in shares Disclosure : when the owner's right to receive payment is established.

2.4 Property, Plant & Equipment**Tangible assets**

Tangible assets are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises of the purchase price, borrowing costs, if capitalization criteria are met, and also includes costs that are directly attributable to bring the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price. Subsequent expenditure related to an item of tangible asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing tangible assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the Statement of Profit and Loss for the period during which such expenses are incurred.

Intangible Assets

The cost of an intangible asset comprises its purchase price, including any import duties and other taxes (other than those subsequently recoverable by the enterprise from the taxing authorities), and any directly attributable expenditure on making the asset ready for its intended use. Directly attributable expenditure includes, for example, professional fees for legal services. Any trade discounts and rebates are deducted in arriving.

2.5 Depreciation & Amortization

Depreciation on tangible assets would be provided on the written down value method using the rates arrived at based on the useful lives estimated by the management, as specified in Schedule II of the Companies Act, 2013. The parts of an asset having significant cost and having different useful life would be depreciated separately.

Leasehold improvements would be depreciated over the relevant lease period(s) including renewable period(s) or over their useful economic life, whichever is shorter.

Intangible assets are amortised on a straight-line basis over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates.

Integrum Energy Infrastructure Limited

("Formerly Known as Integrum Energy Infrastructure Private Limited")

Notes forming part of Standalone Financial Statements for the year ended 31st March, 2024

CIN : U40106KA2021PLC144691

(All amounts in Indian rupees lakhs, unless otherwise stated)

2.6 Impairment of assets

Assessment is done at each balance sheet date as to whether there is any indication that an asset (tangible and intangible) may be impaired. If any such indication exists, an estimate of the recoverable amount of the asset/cash generating unit is made. Recoverable amount is higher of an asset's or cash generating unit's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. For the purpose of assessing impairment, the recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. The smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit (CGU). An asset or CGU whose carrying value exceeds its recoverable amount is considered impaired and is written down to its recoverable amount. Assessment is also done at each balance sheet date as to whether there is any indication that an impairment loss recognised for an asset in prior accounting periods may no longer exist or may have decreased. An impairment loss is reversed to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had previously been recognised.

2.7 Borrowing cost

Borrowing cost includes interest, upfront fee / processing charges, loan syndication fees, letter of credit / letter of comfort charges, interest on debentures etc. Such costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the respective qualifying asset. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are expensed in the period in which they occur.

2.8 Tax on income

Tax expense generally comprises of current tax provision and deferred tax adjustments as and when they arise. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is a virtual certainty of realisation of such assets.

The carrying amount of deferred tax assets are reviewed at each reporting date. The Company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Unrecognised deferred tax assets of earlier years are re-assessed and recognised to the extent that it has become reasonably certain that future taxable income will be available against which such deferred tax assets can be realised.

Subject to the above, deferred tax adjustment(s) arising out of the timing differences originating during the tax holiday period and reversing after the expiry of the tax holiday period would be recognized in the financial statements, as and when they arise.

2.9 Provisions and contingent liabilities

A provision is recognised when the Company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements unless the occurrence of contingent liability is remote.

An 'onerous contract' is a contract in which the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under it. Thus, for a contract to qualify as an onerous contract, the unavoidable costs of meeting the obligation under the contract should exceed the economic benefits expected to be received under it. The unavoidable costs under a contract reflect the least net cost of exiting from the contract, which is the lower of the cost of fulfilling it and any compensation or penalties arising from failure to fulfil it.

2.10 Earnings/(Loss) per share

The earnings considered in ascertaining the Company's earnings per share comprise of the net profit/(loss) after tax. The number of shares used in computing the basic earnings per share is the weighted average number of equity shares outstanding during the year. The number of shares used in computing diluted earnings per share comprises the weighted average shares considered for deriving basic earnings per share, and also the weighted average number of shares, if any which would have been issued on the conversion of dilutive potential equity shares.

2.11 Cash and cash equivalents

Cash and cash equivalents comprises generally of cash at bank and in hand and short-term investments with an original maturity of three months or less.

2.12 Lease

Where the Company is the lessee

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased term, are classified as operating leases. Operating lease payments would be recognised as an expense and charged to the Statement of Profit and Loss on a straight-line basis over the lease terms.

Integrum Energy Infrastructure Limited

("Formerly Known as Integrum Energy Infrastructure Private Limited")

Notes forming part of Standalone Financial Statements for the year ended 31st March, 2024

CIN : U40106KA2021PLC144691

(All amounts in Indian rupees lakhs, unless otherwise stated)

2.13 Investments

Investments are classified as long term investments and current investments. Current investments are in the nature of current assets, although the common practice may be to include them in investments. Investments other than current investments are classified as long term investments, even though they may be readily marketable.

- a) The carrying amount for current investments is the lower of cost and fair value. In respect of investments for which an active market exists, market value generally provides the best evidence of fair value.
- b) Long-term investments are usually carried at cost. However, when there is a decline, other than temporary, in the value of a long term investment, the carrying amount is reduced to recognise the decline.
- c) Profit & Losses on sale of investments are recognised on its disposal.

2.14 Foreign currency translation

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount, the exchange rate between the reporting currency and the foreign currency at the date of the transaction. Foreign currency non-monetary items are reported using the closing rate. Exchange differences arising on the settlement of non-monetary items at rates different from those at which they were initially recorded during the year, are realised as income or as expenses in the year in which they arise.

2.15 Employee benefits

i. Short Term employee benefits :

Short-term employee benefits, such as wages, salaries and social security contributions, paid annual leave, profit-sharing and bonuses (if payable within twelve months of the end of the period).

ii. Post Employment Benefits

Company is following defined benefit plan for gratuity. In books gratuity is provided on the basis of actuarial valuation, using projected unit credit method as at each balance sheet date.

The Company recognised the following changes in defined benefit obligation as an expense in statement of profit or loss:

- i) Service cost comprising of current service cost,
- ii) Past service cost gains and loss on entitlements and non-routine settlement. • Net interest expenses or income.

iii. Defined Contribution Plan

Fixed contributions to Provident Fund and Employee State Insurance made on monthly basis with relevant authorities are absorbed in the Profit and Loss Account.

2.16 Valuation of Inventory

Material comprises modules, wires, cables, components, stores and spares. Stock in trade comprises of land (Including agreements for sale & Lease Rights) acquired for Solar EPC projects.

Inventories are valued at lower of cost or net realisable value; cost is determined on the Specific identification method. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

2.17 Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current / non-current classification. An asset is treated as current when it is:

- a) Expected to be realised or intended to be sold or consumed in normal operating cycle
 - b) Held primarily for the purpose of trading
 - c) Expected to be realised within twelve months after the reporting period, or
 - d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.
- All other assets are classified as non-current.

A liability is current when:

- a) It is expected to be settled in normal operating cycle
- b) It is held primarily for the purpose of trading
- c) It is due to be settled within twelve months after the reporting period, or
- d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

Deferred tax assets and liabilities are classified as non-current assets and liabilities. The Company classifies all other liabilities as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

2.18 Changes in Accounting Policies

A change in an accounting policy will be made only if the adoption of a different accounting policy is required by statute or for compliance with an accounting standard or if it is considered that the change would result in a more appropriate presentation of the financial statements of the enterprise.

Integrum Energy Infrastructure Limited
("Formerly Known as Integrum Energy Infrastructure Private Limited")
Notes forming part of Standalone Financial Statements for the year ended 31st March, 2024

31 Segment reporting

As per AS 17 "Segment Reporting" the standard is not applicable to Small and medium sized companies. For the Current year the company is falling under definition of small and medium sized companies for which we are not making any disclosures regarding segment reporting.

32 MSMED disclosure

The Ministry of Micro, Small and Medium Enterprises has issued an office memorandum dated 26 August 2008 which recommends that the Micro and Small Enterprises should mention in their correspondence with its customers the Entrepreneurs Memorandum Number as allocated after filing of the Memorandum. Accordingly, the disclosure in respect of the amounts payable to such enterprises as at 31 March 2024 has been made in the financials statements based on information received and available with the Company. Further in view of the management, the impact of interest, if any, that may be payable in accordance with the provisions of the Act is not expected to be material. The Company has not received any claim for interest from any supplier.

Particulars	For the year ended 31 March 2024	For the year ended 31 March 2023
The amounts remaining unpaid to micro and small suppliers as at the end of the year;		
- Principal	253.49	87.03
- Interest	-	-
The amount of interest paid by the buyer under MSMED Act, 2006 along with the amounts of the payment made to the supplier beyond the appointed day during each accounting year;		
- Principal	-	-
- Interest	-	-
The amount of interest due and payable for the period (where the principal has been paid but interest under the MSMED Act, 2006 not paid);	-	-
The amount of interest accrued and remaining unpaid at the end of each accounting year; and	-	-
The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues above are actually paid to the small enterprise, for the purpose of disallowance as a deductible expenditure under section 23.	-	-

56 Disclosure of Ratios

Ratio	Numerator	Denominator	Ratios as on 31st March 2024	Ratios as on 31st March 2023	% Change	Reason For Change
Current Ratio	Current Assets	Current Liabilities	1.70	1.56	-8.59%	Less than 25%
Return On Equity(%)	Net Profits after taxes - Preference Dividend (if any)	Average Shareholder's Equity	55%	28%	-95.65%	Refer Below Note(i)
Debt-Equity Ratio	Total Debt	Shareholder's Equity	0.00	0.02	100.00%	Refer Below Note(ii)
Debt Service Coverage Ratio	Earnings available for debt service	Debt Service	1288.75	Not Applicable	100.00%	Refer Below Note(iii)
Inventory Turnover Ratio	Cost of goods sold OR sales	Average Inventory =(Opening + Closing balance/2)	6.08	2.18	-179.20%	Refer Below Note(iv)
Trade Receivables Turnover Ratio	Net Sales = Gross sales - Sales return	Average Accounts Receivable = (Opening + Closing balance/2)	9.10	5.89	-54.46%	Refer Below Note(v)
Trade Payables Turnover Ratio	Net Purchases = Gross purchases - Purchase return	Average Trade Payables = (Opening + Closing balance/2)	8.61	2.88	-198.57%	Refer Below Note(vi)
Net Capital Turnover Ratio	Net Sales = Total sales - Sales returns	Working Capital = Current assets - Current liabilities	8.74	5.54	-57.60%	Refer Below Note(vii)
Net Profit Ratio(%)	Net Profit = Net profit shall be after tax	Net Sales = Total sales - Sales returns	5%	5%	-10.26%	Less than 25%
Return on Investment						
Mutual Funds(%)	{MV(T1) - MV(T0) - Sum [C(t)]}	{MV(T0) + Sum [W(t) * C(t)]}	7%	6%	-23.85%	Less than 25%
Fixed Deposits(%)	{MV(T1) - MV(T0) - Sum [C(t)]}	{MV(T0) + Sum [W(t) * C(t)]}	5%	4%	-16.18%	Less than 25%
Return On Capital Employed(%)	Earnings before interest & taxes	Capital Employed = Tangible Net Worth + Total Debt + Deferred Tax Liability	57%	33%	-71.85%	Refer Below Note(viii)

Following are the reasons for the change in ratios percentage of 25% or more when compared to previous year

- i) Return on Equity: Profit after tax increases for the current year compared to previous year
ii) Debt-Equity Ratio: There is no Debt in current year
iii) Debt Service Coverage Ratio: Last year there is no interest cost. And for current year there is no closing balance of debt. Ratio is serviced only by Interest portion.
iv) Inventory Turnover Ratio: Sales got increased more from previous year where the change in closing stock is minor.
v) Trade Receivables Turnover Ratio: Efficient & Timely Collection of money from customers.
vi) Trade Payables Turnover Ratio: Availing of early payment discounts.
vii) Net Capital Turnover Ratio: Payments to vendors will be made before collecting money from customers.
viii) Return On Capital Employed: Earnings before tax & Interest got increased from previous year

57 As the company is covered under the definition of Small and Medium sized companies the disclosures required under AS 19 "Leases" is exempted

58 Provisions & Contingent liabilities

- a) There are no contingent liabilities which are not remote as at March 31, 2024.
b) For the Operations & Maintenance services provided on free basis for the first two years after completion of project completion for the respective customer there is no need for disclosure of contingent liability or creation of provision for expenses if any to be incurred in the upcoming years as everything is backed by supplier warranty scope.
c) Disclosure of provision for Onerous contract under AS 29 "Provisions, Contingent Liabilities and Contingent Assets"

63 The Previous year's figures have been regrouped /reclassified /recast, wherever considered necessary

64 In accordance with regulatory requirements, we acknowledge the importance of maintaining an audit trail to ensure transparency and accountability in our financial records. However, due to this being the first year of implementing the audit trail system, coupled with various operational and technical challenges, we were unable to fully establish and integrate the audit trail within our financial systems during the reporting period.

We are actively working towards resolving these challenges and are committed to implementing a comprehensive audit trail system in the upcoming financial year. This will ensure compliance with all regulatory requirements and enhance the accuracy and integrity of our financial reporting.
