Item No. 1

Appointment of Mr. Anandkumar Raichand Lunia (DIN: 01192870) as independent director of the Company

Mr. Anandkumar Raichand Lunia (DIN: 01192870) who holds 56,689 equity shares in the Company, representing 0.35% of the shareholding of the Company as per the BENPOS report dated 21st August 2026, was appointed as [Additional Director] (in the capacity of Independent Directors) on the board of directors the Company ("**Board**") pursuant to the resolution passed by the Board in its meeting held on 29th August, 2026 is proposed to be appointed as Independent Director of the Company by resolution of the shareholders, in accordance with applicable laws, including the Companies Act, 2013 and Regulation 17 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("**SEBI Listing Regulations**"), each as amended. In this regard, the Board is of the opinion that Mr. Anandkumar Raichand Lunia fulfil the criteria for being appointed as independent director, as set out in the Companies Act, 2013, SEBI Listing Regulations and that Mr. Anandkumar Raichand Lunia is independent of the management of the Company.

The Nomination and Remuneration Committee considered the qualifications, experience, expertise, integrity and suitability of Mr. Anand Lunia for appointment as an Independent Director of the Company.

Mr. Lunia aged 52 years holds a Bachelor's degree in Electrical and Electronics Engineering and a Master's degree in Business Administration from the Indian Institute of Management, Lucknow. He has more than 25 years of experience in venture capital, entrepreneurship, investment evaluation, corporate strategy and business development.

As the Founding Partner of India Quotient, a leading venture capital firm managing assets exceeding ₹2,500 crore, Mr. Lunia has extensive experience in identifying, evaluating and supporting innovative and high-growth businesses across sectors. He has been associated with the growth of several prominent enterprises, including Lendingkart, KukuFM, Giva, ShareChat, IIMJobs, LoanTap, SUGAR Cosmetics and WebEngage. His earlier experience as a Partner at Seedfund, including his involvement with successful investments such as CarWale and redBus, further demonstrates his capabilities in investment strategy, value creation and business scaling.

Mr. Lunia is anchored in the specific value that we believe he can contribute to Integrum at this juncture of the Company's development. Mr. Lunia is a Founding Senior Partner of India Quotient and possesses extensive experience in evaluating, constructing, and expanding consumer-facing and technology-driven enterprises. This perspective is particularly pertinent as we venture beyond traditional renewable energy sectors into commercial and residential energy solutions, including the residential VNM opportunity, where client acquisition, digital engagement, brand development, distribution channels, and scalable business models will become increasingly vital.

Simultaneously, as we prepare for our proposed initial public offering (IPO) and transition towards a listed entity, we recognise that the Board would benefit from an independent director with substantial exposure to investors, capital allocation, business expansion, governance, and the assessment of emerging growth enterprises. His experience, therefore, can significantly contribute not only to our new consumer-oriented initiatives but also to broader deliberations concerning strategy, capital deployment, organisational growth, investor relations, and the creation of long-term value.

The Company has received the consents in writing from Mr. Anandkumar Raichand Lunia to act as a Director in Form DIR-2, intimations to the effect that they are not disqualified to be appointed as a director in other companies in Form DIR-8 and declarations in writing to the effect that they meet the criteria of independence as provided in Section 149(6) of the Companies Act, 2013 and the SEBI Listing Regulations.

The Board of Directors has recommended the appointment of Mr. Anandkumar Raichand Lunia as Independent Director for a term of five consecutive years subject to such Director continuing to satisfy the criteria of independence in terms of the Companies Act, 2013, the rules notified thereunder and the SEBI Listing Regulations and shall not be liable to retire by rotation.

Mr. Anandkumar Raichand Lunia holds 56,689 equity shares in the Company, constituting approximately 0.35% of its paid-up equity share capital. The Board has taken note of the said shareholding and is of the opinion that it does not impair his independence or otherwise affect his eligibility for appointment as an Independent Director under the applicable provisions of the Companies Act, 2013 and the rules made thereunder. Other directorships of Mr. Anandkumar Raichand Lunia - NIL

The Board recommends the resolution for approval of the shareholders of the Company.

None of the directors and key managerial personnel of the Company and their relatives (as defined in the Companies Act, 2013) are concerned or interested in the proposed resolution, other than the proposed appointees Mr. Anandkumar Raichand Lunia is concerned or interested in the proposed resolution.

Options also provide a company with an opportunity to optimise its personnel costs. This also provides an opportunity to the employees to participate in the growth of the company, besides creating long term wealth in their hands.

Further, as the business environment is becoming increasingly competitive, it is important to attract and retain qualified, talented and competent personnel in the Company. Your Company believes in rewarding its Employees including Employees of Holding Company, its Subsidiary Company (ies) and/ or Associate Company(ies) [present and future] for their continuous hard work, dedication and support, which has led and will lead the Company on the growth path.

The reasons why the Company may be extending its scheme to the Employee(s) of its Holding Company, its Subsidiary Company (ies) and/ or Associate Company(ies) [present and future] ("entities") are as below:
